

MUHAMMAD ABDURREHMAN

PROFESSIONAL EXPERIENCE

WEB DEVELOPMENT

2020- PRESENT

- Built responsive, full-stack websites with modern front-end and back-end technologies.
- Developed e-commerce platforms with secure payments and optimized UX.
- Wrote clean, efficient code (HTML, CSS, JavaScript, frameworks).
- Ensured cross-browser compatibility and mobile responsiveness.
- Debugged, optimized, and maintained applications for performance and scalability.

Amazon Content

Ecom Pearls | 2023-2024

- Created concise, keyword-optimized product titles to enhance search visibility and attract potential buyers.
- Wrote compelling bullet points emphasizing key features, benefits, and unique selling points, tailored for quick readability.
- Performed in-depth keyword research to strategically integrate high-impact search terms, improving product ranking and discoverability.
